

City of Exeter

WE'RE HIRING!

MAINTENANCE TECHNICIAN

The City of Exeter is seeking qualified applicants for the position of Maintenance Technician — an essential, skilled role supporting the maintenance and operation of the City's public infrastructure and facilities.

POSITION DETAILS:

- Classification: Full-time, Non-Exempt, CLOCEA Union Represented
- Salary: \$4,148 - \$5,042 per month *(with an excellent benefits package!)*

WHAT YOU'LL DO:

Under the supervision of the Public Works Operations Manager and daily task leadership of the Crew Leader, the Maintenance Technician performs skilled maintenance, repair, and installation work involving:

- Water distribution and production systems
- Wastewater and stormwater collection systems
- Streets, sidewalks, signage, and traffic markings
- Parks, landscaping, and irrigation systems
- Operation of City vehicles, tools, and equipment

This position may also respond to emergency and after-hours call-outs as needed.

WHAT WE'RE LOOKING FOR:

- High school diploma or GED
- Minimum of two (2) years of public works or maintenance experience
- Valid Class C California Driver's License
- Ability to obtain within one year:
 - Class B Driver's License
 - Grade 1 Distribution Certification
 - Grade 1 Treatment Certification
